INTERNATIONAL JOURNAL FOR THE FRUIT PROCESSING, JUICE AND SOFT DRINKS PRODUCING INDUSTRY

New facility for plant-based beverages with innovative pulse storage and processing technology

PROCESS TECHNOLOGY

Is inline refractometry the process industry's best kept secret? 150

For over 40 years, K-PATENTS was arguably one of the process industry's best kept secrets, but within its user base, the company enjoyed an enviable reputation for accurate reliable measurements in even the most challenging process conditions. As such, K-PATENTS had a good fit with the global measurement technology company, Vaisala, which acquired the business in December 2018 ...

FLAVOURS & INGREDIENTS

Top 5 sugar reduction challenges 152

Reducing sugar levels in everything from carbonated soft drinks and seltzers through to dairy shakes has never been a higher priority for beverage brands and their suppliers across the globe. We explore what this means for those innovating and reformulating in this space, addressing the top technical sugar reduction challenges faced by our customers ...

EVENTS

interpack delights the global processing and packaging industry 154

For those in the product packaging and processing business there was only one "place to be" from 4 to 10 May: interpack in Düsseldorf. Under the heading "Welcome Home" the trade fair welcomed visitors from all over the world. The joy of finally coming together as an industry was great. It delivered what it promised and exceeded exhibitors' expectations: the world's largest and most relevant packaging trade fair set standards yet again ...

Mastering the value chain of plant-based beverages 158

French beverage producer LSDH Group’s new greenfield soy plant in Saint-Denis-de-l’Hôtel is now fully operational. The plant, located in the municipality of Loiret in central France, utilizes state-of-the-art dry-processing technology from Bühler. The plant is part of Atelier INOVé, a new industrial facility owned by LSDH in partnership with Sofiprotéol, an investment company dedicated to the production of plant-based beverages and to development of local supply chains for agricultural raw materials ...

New resource-conserving Nature MultiPack variant: PET pack with a cardboard carrying handle 160

Clever further development: with its bottle clip the KHS Group now adds a further resource-conserving alternative to its successful Nature MultiPack packaging system. The combination of tried-and-tested adhesive dots plus a new cardboard carrying handle makes for a stable pack of PET beverage bottles ...

EVENTS

**BrauBeviale 2023:
International beverage sector set to enjoy a long-desired reunion 162**

The preparations for BrauBeviale, one of the leading capital goods trade fairs for the beverage industry, are in full swing. From 28-30 November, Exhibition Centre Nuremberg will once again become the hub for the international beverage sector. The pandemic forced BrauBeviale to take a four-year break, which the organisers used to fine-tune the exhibition profile. It now offers a blend of established and brand-new features in what will be a genuinely joyful reunion for the entire beverage industry. Exhibitors will showcase products, solutions and trends for the manufacture and marketing of beer, water, alcohol-free drinks, spirits, wine and sparkling wine – complemented by a tailor-made, wide-ranging supporting programmes ...

RECYCLING

Let’s put circularity into practice! 166

NGO-industry coalition urges decision-makers to take action to prioritise closed-loop recycling in the EU Packaging and Packaging Waste Regulation. In the context of the discussions in the Council of the EU and the European Parliament on the Proposal for an EU Packaging and Packaging Waste Regulation (PPWR), the undersigned organisations call for concrete actions to better support closed-loop recycling and ...
